

A woman with her hair in a bun is sitting on a white toilet in a bright, modern bathroom. She is wearing a white button-down shirt and black shorts. She has two white, textured eye patches under her eyes. She is holding a glass of coffee in her left hand and has her right hand near her mouth. A window is visible in the background, and a white cabinet is to the right.

I patch sono perfetti per rendere lo sguardo più fresco e riposato in pochi minuti. Maschera Occhi in Idrogel Decongestionante di **Royal Beauty** (14,90 euro) a base di alghe e cetriolo per esempio sgonfia subito le borse di stanchezza.
